OLD BUSINESS:

There is nothing new with the bridges in the Township at this time. The board discussed Warner Hill Road and thought it would be a good idea to invite the property owners on Warner Hill road to discuss any concerns or questions they may have to the April 19th, 2021 township meeting; the Secretary will send out a letter to the property owners before the next meeting. There is only one Saturday available for Spring Clean Up in April which is April 17th, 2021. Lafy made a motion to have our annual Spring Cleanup on April 17th, Holdren seconded and all agreed. NEW BUSINESS:

Ryan Shores was present to discuss the safety of the intersection of Bridge/Sheshequin/Ghent Hill. After much discussion the board decided to send PennDot a letter of concern on this intersection; to ask to put in flashing lights on the stop signs and there is a stop sign that needs replaced. Tom & Larry O'Reily were present to ask the township to request a speed limit study on Barner Road(which is a state road) in Sheshequin and Wysox Township; to have the speed limit reduced they are concerned with the high rate of speed that people travel that road. After the board discussed this issue they will send PennDot a letter requesting a speed limit study to be done on that road.

There was no new business to report.

Lafy made a motion to adjourn the meeting at 8:15pm.
