Reports: The Road Master provided a written report.

There was nothing new with the EMC or the Website. We had not received a new **SEO Report** before this meeting. There was nothing new to report on permits. We had one subdivision module presented to the board; the W. Wayne Miller and Beverly J. Miller subdivision. The board reviewed the subdivision; which was already sent to the Township SEO for review. Lafy made a motion to accept the subdivision with no adverse comments from Sheshequin Township as long as the SEO finds no problems with the subdivision when they review it and send it back to the township. Richter seconded and all agreed.

Old Business: There is nothing new to report on the **Solar Ordinance**. There is nothing new with the Employee manual. The BCTOA fall convention is October 2, 2025.

New Business: The board can start working on the 2026 budget.

A Smith/Richter motion passed to accept the Treasurer's Report and approve bills.

A motion was made to adjourn the meeting at 6:51pm.
